You alongwith your research team have been permitted to carry out the research on the project titled "Vanishing Voices of Great Andamanese" by the Administration. As per the normal practice you are to get a medical certificate from the authorized Government doctor to the effect that you and your research team are not suffering from any diseases including communicable diseases so as to avoid health hazards for the Great Andamanese before proceeding to the tribal reserved area. In the similar context please refer to our earlier letter No. 1-272/2003-TW/456 dated 14/7/2004(copy enclosed for ready reference) addressed to Deputy Commissioner (Andamans) with a copy to you and others.
