I am glad to inform you that **Mr. Narasimhan** of II MSW of Madras Christian College is a Passionate and Socially sensitive student. As part of the academic requirement he is doing a study on the topic "Development of the Nicobar Tribal".

So in this regard I would request you to introduce him to Deputy Commissioner of Andamians which will be helpful for him to do the study with a formal approval. I will be happy as a Research advisor that you will keep Mr. Narasimhan under your professional supervision.

The study and the Data collected will be used only for the Academic purpose only.
