PUC is a letter dated 29.7.2015 addressed to Superintendent of Police, South Andaman District by Assistant Professor (Civil), DBRAIT, Pahargaon, Port Blair, wherein, it has been informed that the final year student of B.Tech (Civil) of BRAIT are going to undertake an academic project on landslide, modeling as part of their academic requirement to complete their degree. The project work requires soil sample to be collected from specific points between Jirkatang and Middle Strait for testing and analysis. For this purpose, it has been requested to grant them permission to enter into reserve area on 31.7.2016 or the next possible date with necessary police escort to take soil samples. The particulars of the student, who shall carry out the sample collection alongwith the equipments, are given as under: -

Name of student	List of equipments they will carry
Ankit Lall (13TA1803)	Spade No. 1
K Lalit Raju (13TA1814)	Measuring Tape
Puja Baroi (13TA1824)	Dau No. 1

As per the Section 7 of the PAT, 1956 the Dy Commissioner is the competent authority to grant necessary permission to enter in the scheduled area. Since the requirement is received from the govt agency and the research for sample collection of land which will help to know more on landslide, and would definitely help and protect the interest of Jarawa in the event of any disaster. Therefore, it will be appropriate to grant them permission to the above named students to carry out the above said research, subject to following conditions: -

- 1) The project work should be carried out under the overall supervision of Executive Secretary, AAJVS.
- 2) The team should be escorted with AAJVS officials and Police personnel.
- 3) The team should complete project work before 2:00 PM and shall leave the Jarawa Reserve Area before 3:00 PM. They should enter the time of entry and departure in the log book maintained by the Police.
- 4) The team should deposit the mobile phone or any camera with the Police Outpost, Jirkatang. No photography shall be allowed in the Jarawa Reserve Area. The team should ensure that no cigarette, alcohol, match box or any other inflammable articles should be carried in the Jarawa Reserve Area.
- 5) No undue interference in the lives of Jarawas tribes during the course of research.
- 6) The project report should be placed before the Research Advisory Board, ANTRI for clearance. The research for documentary shall not be published unless and until it has been cleared by the RAB, ANTRI and approved by the A&N Administration.

Submitted for order please.
