Sub.: - Tribal Pass- reg.

Sir,

With due respect it is informed that Shri Ajey Prakash Kodlikeri and Ms. Manju Iyer working in the field of film industry in Mumbai are on visit to this Island. They have witnessed the football Championship under 17 on the way to Subroto Mukherjee Cup at Netaji Stadium which was organized by the Education Department on July, 2015. Both were impressed by the physical fitness of Nicobaree boy and their performance. They are planning to make documentation on football in Nicobar.

They have approached me and sought help how to cope up and proceed to Car Nicobar. Therefore, they may be permitted to Car Nicobar and take stock of football status at first hand. In this regard the tribal pass for a week may be issued to them.

Yours faithfully

Lucas
