To
The Research Officer
Directorate of Tribal Welfare
Port Blair
South Andaman

Respected Sir,

Sub: Permission for access to Jarawa reserve area of NH-223 for collection of soil samples.

With due respect, I am writing to seek your permission to obtain soil samples for research project titled as "Flow path analysis of rainfall induced shallow landslides". The project work is carried out by B.Tech final year students of Dr.B.R.Ambedkar Institute of Technology. The soil samples are to be collected from a point which is at **8 Km from Jirkatang check post**. For Soil sampling, our team will be carrying the following tools along with them to the specific landslide location.

List of apparatus are as mentioned below:

- a) Core cutter with Rammer
- b) Measuring Tape
- c) GPS
- d) Synthetic Bag
- e) Spade
- f) Tray
- g) Straight edge
- h) Spatula

Team visiting the site as listed below:

- 1. Mr. K. Hamza, lab technician
- 2. Sanjay Kumar, Student(Enrolment no:14TA1628)
- 3. Amar Singh, Student(Enrolment no:14TA1602)
- 4. Koteswar Rao, student(Enrolment No: 14TD1626)
- 5. Manoj Halder, student (Enrolment No:14TAL021)

The team will be visiting on 26th August 2017, Saturday between 9:30am to 3:30 pm along with a police official, along with necessary clearance to carry the apparatus as mentioned above. This is for your kind information please.

Yours sincerely

T. Diana Joslin
Assistant Professor (Civil)
