Sub: Request to permit our e-project at National Level Kala Utsav 2017

Sir,

As desired by the Secretary Tribal Welfare the guide teacher & e-project incharge of the visual art titled 'Livelihood of Primitive Tribe Jarwa', met the director (ANTRI) today the 4th Dec 2017 and showed him the e-project. He was satisfied watching the contents of the e-project. Once again sir we would like to put before you the following facts:

- Kala Utsav is a flagship programme of MHRD and accordingly the A&N Administrations' Govt. Schools take part in the Zonal, District, State & National level competition.
- The Department of Education has already selected/approved the topic 'Livelihood of Primitive Tribe Jarwa' through competitions held at various levels (Zonal, District & State) and now this presentation has been selected for National level.
- The students have performed most of the livelihood activities mentioned in the e-project, which are normally carried out by Jarwa in their daily life.
- Few shots of the Jarwas, which are available in public domain (documentary produced by RajyasabhaTV) has been shown in the e-project.
- No objectionable close-ups displaying nudity etc. have been shown in video clips.
- Inputs from Anthropological Survey of India, Port Blair have been taken in the production of the e-project.
- It is to be noted that the video clips will not be used for any commercial purpose but only for the purpose of presentation of the efforts of the students before the Jury of Kala Utsav at National level.

Since it an educational project involving the study and the research efforts made by the students and teachers of the Govt. school, you are requested to grant permission to present the e-project before the jury at National Level at the earliest.

Thanking you in anticipation.
