Subject:- Visit to Jarawa area - rep.
Respected Madam,

I wish to bring to your kind notice that Anthropology has been introduced in Govt. College Car Nicobar as a subject, and this is only subject dealing with the Tribals & Tribal welfare and in History also we have a paper, History of A & N. Islands, in which Tribals of A & N Islands and their welfare etc is also taught there.

In view of the importance of Tribal & Tribal welfare schemes, it is a necessity for me to visit tribal area, for a fruitful teaching to the students.

Madam, before this I was working in AATWS as Senior Social Executive from Nov. 1981 to March 1992, and was arranging Jarawa Trips.

Now these days vacation are there & I am free, so I wish to accompany the Jarawa Contact team in future visits.

Hence it is requested that permission may please be granted to me to visit/accompany the Jarawa Contact Team during June 1993.

Thanking You.

Yours faithfully
Ashok K. Pandey
(in AATWS)
