Refer. The Director (TW) minuts at para 85/N.
Discussed with the Director (TW) today. The contact
expedition to the Jarawa area and the North Sentinel
Island is to be Organised every month on the day
following the full moon day as per the Administration's
Order No. 3103 dated 3.7.85. This practice has hitherto
been followed. However, the Secretary (TW) has desired
that the Contact expedition to the Jarawa area should be
Organised by the end of September '94 while the next
full-moon day falls on 14th October '94.

Accordingly two different tentative contact
expedition programme, that is, one on the end of September '94
and another on the day following the full-moon day in the
month of October are proposed as under. Either of the
two may be approved.
