Keys no. 929 and 928 dtd 30/3/95 and dtd 1/4/95 regarding arrangement of engine dinghi and banana - as etc. for garawa contact on 4th instant. In this regards, I laid with Shri. Gorongo majumdar and Smti. Lalita majumdar. Smti. Lalita majumdar is agreed to supply banana as required quantity. Kindly refer my sig. no. nil dtd 13/11/94 and 8/2/95. Shri. Gorongo Majumdar is refusing to provide engine dinghi for said garawa contact expedition on 4/1/95. Because he was provided engine dinghi for garawa contact last year, which hire charges has not been made to him so far. I tried my level best but in vain. No alternative arrangements can be done. For info.
