Sub: <sup>n</sup>Returning of bills-reg.

Sir,

I am to return herewith a bill raised by M/s OMPCS Ltd, bearing number 001719/7.2.2002 amounting to Rs.9626/- (Rupees nine thousand six hundred and twenty six only) for supply of supplementary food to the Onge of Dugong Creek for the month of 2/2002.

On scrutiny of the bill it was found that the Tehsildar, Little Andaman (Secretary, OMPCS Ltd) had remarked that the ration items were not distributed in the proper guide lines like signature of committee members including Social Worker, and others, obtaining falls signature, attestation of the left thumb impressions, getting RTI of Onge who can sign etc

You were directed every time to submit the bills intima- but still then, the bills are submitted very late.

You are therefore, directed to re-submit these bills with proper elucidated reply on the observations of the Tehsildar to the under signed for further action.

Your's faithfully
