Ref:F.No:3-9/AAJVS/TW/2005/PF-2/406 dated 9/9/2005.

Sir,

I am directed to refer to your letter under reference on the subject cited above and to say that in order to find out the present state of the existing antenna installation and the building where in the PR is now to be housed, one of our staff from Hut Bay was deputed. Accordingly he along with social worker of Dugong Creek went to Dugong Creek and furnished a report which say that the facilities available now at Dugong Creek is very much inadequate.

It is therefore requested that the building to house PR, Electrification and drinking water facilities etc may please be made available so the we may depute our staff with equipments.
