

Now it is reported that the same is not suitable. Therefore, we may direct Social Worker to procure the same from Hut Bay. 57

c) Signal no: 108 dated 17.10.2005. It is reported that all the Onges who are old settlement now occupied the newly constructed traditional hut soon after earthquake on 8.10.2005. APWD Hut Bay has started repairing the damaged Onges huts at Dugong Creek and also repaired the Onges transit house at Hut Bay. Clearing of jungle trees near the helipad has already started.

Executive Secretary, AAJVS has remarked on the signal to issue a letter as how it is repaired by whose order, therefore, if approved we may send a signal accordingly combining all the three issues. 58
