**Subject: Regarding logistic assistance & support for conducting fieldwork at Dugong Creek & South Bay among the Onge of Little Andaman Islands.**

Sir,

Apropos the 11<sup>th</sup> Five Year National Plan Project "People of India Cultural Diversity : Intangible & Tangible Cultural Heritage (Traditional Knowledge)" that this Survey has launched; I have the honour to inform you that Shri Siddhartha Shit, Research Associate (C) & Shri Sarvajeet Bhattacharya, Photo Artist would be conducting fieldwork at the respective places of Little Andaman as mentioned above. They are expected to reach Little Andaman island tentatively either second fortnight of March 2011 or first fortnight of April 2011.

I greatly appreciate the logistic assistance & support that the AAJVS have been extended to the research personnel of this Centre & this time also; such sort of assistance & cooperation may be extended to us that may enable us complete the project in a meaningful significant success. All assistances extended to the research personnel of this Centre would be duly acknowledged at appropriate place of the report. I also request you kindly to send the necessary intimation to the Tribal Welfare Officer, Social Worker & other subordinate officers posted at the Dugong Creek & South Bay to extend the necessary assistance & cooperation for the purpose as far as practical sensibly urged in this regard.

Yours faithfully,

*A. Justin*
