PUC is a letter from the E.O. to Chief Engineer, APWD, regarding arrangement of special boat to Strait Island for visit of Team to Strait Island for inspection of the ongoing works.

(174)

He has stated that the Chief Engineer-cum-Secretary (PWD), alongwith the Superintending Engineer, CC-I, Executive Engineer, CD-I, APWD and other senior officer of APWD are proposed to visit Strait Island for inspection of the ongoing works on 27.05.2010 at 9.00 AM and will return back to Port Blair via Havelock either on the same day or next day subject to weather condition.

(175)

Whenever, a request is made to this organisation we make arrangement of special boat to send the team to Strait Island by tribal boat M.V. Shompen. This vessel purchase meant only for tribal welfare. Directorate of Shipping Services raises no charges for the deployment of the vessel M.V. Shompen.

(176)

Subject to approval, we may send a requisition to Director of Shipping services for deployment of M.V. Shompen to Strait Island for the above purpose.
