

Large number of Jarawas are reported to have come to Jirkatang-Middle Strait stretch. I, therefore, intend to make a tour to Jirkatang and Kadamtala. Since we have not visited Luis Inlet area also for quite a long time I intend to visit that area also, taking Dy. Superintendent of Police, Mayabunder with me, if he can make it convenient.

My tour programme shall be from 23.12.2011 (Friday) to 25.12.2011 (Sunday).
