After having resumed the charges as Executive Secretary AAJVS in 3<sup>rd</sup> Week of August 2011 I have paid repeated visits to Jarawa areas, Great Andamanese Settlement at Strait Island and Onge Settlement at Dugong Creek, but due to my preoccupation, could not afford to pay even a single visit to Great Nicobar for having a firsthand information of ground realities about Shompens.

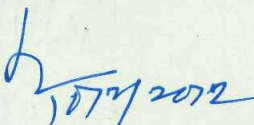

I, therefore, propose tentative tour to Great Nicobar <sup>as</sup> follows:-

20/1/2012 (Friday)	Proceed to Campbell Bay by Pawan hans helicopter
21-1/12 To	
22/1/2012	Visit Shompen areas/ habitats .
23/1/2012 (Monday)	Return to Port Blair by Pawan hans Helicopter

Submitted for approval please.
