| (12)     | <p>principal advisors to planning Commission visited Dugong Creek on 12-2-99. Since the vessel m.v. Tarmugali is not having boarding facilities on board the vegetable items procured for that purpose.</p> <p>iii) The empty gunny bags are required for transporting bananas to middle strait area. The bananas &amp; coconuts are tied in separate packets to unload at different camping places, if taken loose the Jarakuan may unload all at one place. Therefore the bills are raised for all items.</p> <p>Submitted Pl.</p> |
