(13) Still the points have not been cleared that I have raised in my note as at para 7/n at page 1/n. For the hire of vehicle, whether any quotations have been called. If not, how it was hired.

(14) As regards empty gunny bags, as at para 12 on page 3/n, these were purchased not on uniform rate. On 10.2.99 for 200 kgs. of banana and coconuts, 8 empty gunny bags have been used, whereas on 16.2.99 for the same quantity only 4 gunny bags have been used. Similar is the position for the items/gunny bags were purchased on 12.2.99, 17.2.99, 18.2.99 and 19.2.99. All these points are required to be properly checked and clarified.
