

To,

The Chief Secretary

(Through proper channel)

Sub: Allotment of safe residential accommodation to Great Andamanese -reg.

Sir,

With due respect, it is submitted that I belong to Great Andamanese tribal community and is employed in NRSE. I am posted at Strait Island and my family members i.e. my wife, 2 daughters, my mother and my cousin are staying in Prem Nagar in the Govt. accommodation for the better education of our children.

After tsunami disaster on 26.12.2004, the quarter has become un-safe for residence as the building has many cracks and the entire structure is dis-balanced. The Govt. employees staying in the ground floor has been vacated and they have been provided suitable accommodation by the Administration. But we have not been accommodated at any safer place.

In this connection, you are requested to kindly direct concerned authorities to provide suitable accommodation to me for the safety of Great Andamanese tribes. I had visited few places in and around Port Blair, and found that few quarters at supply lane are lying vacant, which may kindly be allotted.

Thanking you,

Yours faithfully
