In this context, I am to bring to your notice that although two Shompens in critical stage have been admitted in the GB Pant Hospital, none of your officials is visiting them to take any special care. I, therefore, request you to depute two staff to the hospital to look after them round the clock and also provide them necessary clothing, nutritional food, soap and detergents from the AAJVS fund as they are in need of these articles..

Technicians to go to Strait Island alongwith AAJVS officials to have a complete survey of the Great Andamanse but you could not arrange a boat till today for the purpose.
