Sub :- Request for admistring of Iron, Folic Acid and Vitamin - 'A' solution - reg.

Madam,

Kindly refer to the discussions held in the meeting on 10/07/98 in the chamber of the Secretary (TW) in connection with the Health & Nutrition of Great Andamanese. Please refer to letter No. 1-713/97-TW/10 dated 12/06/98 of Director (TW) regarding subject notes above also in this connection. In the meeting stress was put on admistring Iron, Folic Acid and Vitamin - 'A' solution to tribals to improve their health condition and to prevent malnutrition.

I, therefore, request you to kindly make arrangements for admistring Iron, Folic Acid and Vitamin - 'A' solution to Great Andamanese regularly. The Medical staff posted at Strait Island may kindly be requested to ensure the service. Further I am to inform that there is a tentative programme for visit to Strait Island on 16/07/98. You may despatch medicines and may also depute health educators or other medical staff.

Yours faithfully,

SA
