It is reported that there are two Shompen patients namely S/Sri Koehu and Enag are under medical treatment under G. B. Pant Hospital w.e.f 8.4.98 and 12.4.98 respectively. They have not having any relatives to look after their welfare. We have posted/deputed 3 staff in duty. But their attention in duty is very poor due to one or other reasons.

The present condition of the patients are poor. Long time is required to get discharge from Hospital. They need at least one home member to look after their needs at Hospital. It may be a help and service to the patients in place of our 3 duty staff.

It is understood that Sri Sikandi Brother of Sri Enag, Shompen is willing to come Port Blair as a attender of these patient. Presently he is at Campbell Bay.
