Port Blair, Dated the 15th Sept. 98

To

The S. R (AP), The Superintendent, District Jail
Port Blair.

Sub:- Request for blood to primitive tribals -reg.

Sir,

I am to say that a Great Andamanese tribal lady named Smti Kobo W/o Shri Look is under medical treatment after delivery. She requires immediate blood transfusion. Her blood group is 'B' positive. The medical authority have informed to the undersigned for arrangement of blood as their blood bank is not having the 'B' positive group of blood at the present.

I, therefore, request you to kindly send some of your staff having the same blood group for donation to save the life of the tribal lady.

Yours faithfully,

H. E. S.
EXECUTIVE SECRETARY,
AAJVS
