PUC is a signal from Social Worker, Dugong Creek (Page 86/C). He has informed that the Onge lady Smti. Togogegai W/o Shri Koira aged 60 years expired on 20/08/98 at 1.30 p.m. It is also informed that she was attended by the Pharmacist on 20/08/98 morning and sent signal to M.O R. K. Pur to seek advice as the M.O I/c Dugong Creek is at Port Blair to attend court. The pharmacist and Social Worker requested the Onges to keep the dead body till the M. O. I/c R. K. Pur reach to examine the body but they buried the body immediately according to their customs. In this connection the M. O. I/c Dugong Creek had sent a signal on 12/08/98 to DHS stating the health condition of Smti. Togogegai and copy endorsed to Executive Secretary, AAJVS (Page 87/C). In the signal it was mentioned that Smti. Togogegai was a chronic patient of debility and stated that the general condition of the patient was poor. The death of the Onge lady has reduced the Onge population of Dugong Creek to 81.
