

May please peruse notes at para 115 onwards.

It is regarding Schedule of free ration that are being supplied to the Onges and Andamanese. At present they are provided with the ration articles as per Schedule indicated at para 117 and 118/n above.

The existing scale of free ration was reviewed in the meeting held in the Chamber of Secretary(TW) recently. This meeting was attended by the Director of Health Services, representative from Regional Medical Research Centre, Dolly Gunj, Port Blair, Officer Incharge of Anthropological Survey of India, Port Blair among others. After deliberation in the meeting it was decided to recommend to revise the scale, of free ration to the Tribes.

In the revised scale, the supply of green vegetables and supplementary baby food for children has been included apart from changes in the quantity of Rice and Atta. The revised scale is indicated at para 121 and 122/n and the same may please be approved.
