During the visit of Self alongwith the Director (TW) to the Onge Settlement of Dugong Creek, it was observed that the Community hall is in a bad shape and requires urgent repairs, re-wiring, painting, changing of footsteps, replacing planks etc.... The Assistant Engineer, MID, Hutbay also accompanied the team and requested for favour of the required action.

Community hall is the main place where the VIP's address the gatherings and also distribute gifts during their visit to the settlement. If approved, we may request the Executive Engineer, MID, to furnish necessary estimates so that the work may be disposed off as early as possible.

The Secretary, Tw, is the Competent Authority to approve the above said works as per the DFP of the AAJS.

Submitted for approval please.
