Secretary ( Welfare )

Dear

Kindly recall our discussions in connection with the deplorable condition of the huts of the Onges in the Onges Settlement at Dugong Creek. The matter has also been discussed by Hon'ble Lt. Governor with you yesterday. We have received a number of complaints that the Onge Settlement at Dugong Creek huts built for the Onges have become almost unsuitable for habitation. Immediate steps may please be taken to repair these huts. It has been noticed that since 1994 no repair works have been carried out. I am to enclose herewith the details of the amount deposited with the Executive Engineer, MID, Hut Bay for your kind information and necessary action.

From the enclosed statement it clearly indicates that what action should have been taken by the APWD had not been taken. In view of this it is requested that you may kindly look into the matter personally and ensure that the repairs are carried out and completed before the on-set of the monsoon.

Yours sincerely,
