

for action as per the rules prevailing in the Andaman & Nicobar Administration.

The existing official Contact Team may visit the Jarawa areas periodically, say once in a quarter to assess the situation. The Director of Shipping Services is required to provide the suitable vessel for such regular contact expeditions as usual.

Notings on prepages from page 42/n may kindly be perused. In the recent past it has been experienced that Jarawas are coming out from their habitats and visited Uttara jetty and even to the settlement areas. Even today it has been reported by the S.H.O., Kadamtala that about 30 Jarawas (13 adults, 2 women and 15 children) came early in the morning at Uttara Jetty and they have been provided with coconuts and bananas.
