

It was proposed in the paras from 8 - 11 above that a contact expedition be organised to South Andaman island from the sea front. This expedition is in addition to the usual contact expedition that is organised to Middle Andaman Island. It is proposed to organise the contact expedition on 10th of May 1997. Gram Panchayat Pradhans and members of Zilla Parishad of the area i.e. Tushnabad and Ferrargunj could also be invited to participate in the contact expedition.

Hon'ble LG may like to approve the deployment of M.V. Tarmugli for this expedition.

Submitted for approval.

12/5/97

The file has been received today in the evening on 12/5/97. As such the proposed date of contact (24) i.e. 19/5/97 has already passed due to inadvertent delay of file at some stage.

Accordingly it is proposed that contact to Jawaners of South Andaman as proposed at para 4-6 may now be organised (25)
