

Reviewed the situation on the spot at Kadamatala. The Jarawas of Middle Andaman are frequenting Uttara jetty. As instructed verbally during one of the Contact Expeditions which was led by the Secretary (TW), the local officers of Kadamatala and the Pradhan of Uttara Gram Panchayat are giving gifts to Jarawas and the Jarawas are being dropped back at their areas. The Pradhan and the team are utilizing two motor boats to drop the Jarawas back whenever they come to Uttara in large number.

The present system prevailing at Uttara jetty is satisfactory and hence formal orders be issued as approved by the LG at para 196/n above. Draft orders are modified and fair orders as approved may be issued immediately. The situation could be reviewed after a period of 3 months.
