14. Later one more canoe with three sentineles came towards our boat and flashed his Machete, probably to use it as hook to ~~the~~ up to our boat, but we were all frightened and speedied our boat leaving the sentinelese behind.
15. In the process one greaser Sitar of the boat jumped into the escort boat nearly out of fear.
16. In the end we threw Dav- five in Nos, after tying red cloth pieces to it, into water which they collected very eagerly diving into the shore water.
17. The Sentineles physical composition was very good with tall and sturdy stature.
18. One male sentineles was seen far away going further away from the contact point.
