2. These Jarawas were the same who were contacted at Yadita Point during last three contacts. The elder man was the same who had taken us to their huts during the contact expedition of Mar.1996.
3. When we were coming back four more Jarawas were seen coming from a distance towards the contact point.
4. The Jarawas ladies were very happy. They even removed the shell necklace from the neck of their children and tied to our necks.
5. The Ladies were showing their children gesturing to depict a family.
6. Beautiful face painting was done on one child and one younger Jarawa lady.
7. One of the Jarawa child was trying to break open the coconut on a stone.
8. One lactating Jarawa lady showed the milk oozing out of her breasts.
9. One Jarawa lady spitted on my arm by mistake which she removed when I stared at her.
