

X Kinship

(87)

It is also observed they have kinship terminologies, but it is limited to nuclear family only, some of the words collected from Emme will be provided after cross checking with Dr Raja Singh.

XI Dance and Song

From the observations it is noticed that they have the concept of singing and dancing. We have recorded the songs, I think the songs ~~have~~ they sing of various kinds. Before landing on the beach they are joyfully singing and dancing on the beach, it seems to me that it is a welcoming dance and song. In the same way they have songs on nature and mourning occasions also. These dance ^{was} ~~is~~ rhythmic, jumping up and down, going round. Because of the shortage of the time we are not able to collect the data on dance. Of course it has been
