When they were being
taken to jungle a private
Jeep came there. Sri Burma
with some villagers came
there and demanded compensation
for the damages caused by to
villagers by Jarawas and also
demanded to shift all Jarawas
to some other place. I requested
them to calm down to keep
patience and to treat the
Jarawas harmoniously. Then
we returned to P/Blain.

See. We have to have
certain definite policy in
this respect as Jarawas are
coming frequently there (Thiru).
