

from pre-page

box had been taken away by one of the Jarawas, all other Jarawas were asking for medical treatment, which was given after arrival of fresh medicines. It is, therefore, now essential that we send a Dermatologist during the next visit and also watch progress of their skin disease.

(Sanat Kaul)  
Chief Secretary,

Approved.  
I would like to see Dermatologist.  
to give his report. after visiting  
personally to me especially reaction  
Jarawas to his visit. Such visit  
could be more frequent once the  
reaction is encouraging.
