used by the ladies to
collect goat from
slope shed

III. : FIRE INSTRUMENTS

:

IV. : CLOTHS

:

V. : ORNAMENTS

: Some necklace of
gold & cotton

VI. : UTENSILS

VII. OTHER OBSERVATION

: The garawas were
found to be in cheerful
mood.

V. GENERAL OBSERVATION AND REMARKS :

Regular visits are required to
contact the tribes. During this
trip domestic dughies of K/Tala
Settles were not used. This is
a very important step which should
be strictly followed in future. This
is necessary to save the garawas
from falling under influence
of the neighbouring Settles. Dahs
& carpentry tools are required to
be provided to the garawas.
