

IV. MATERIAL CULTURE AND ARTIFACTS :-

I. : IRON IMPLEMENTS

Two choppers with handles, bi-sharp bi-sharpened edges daggers worn around necks.

II. : BASKETS

Two cane baskets, bark-string & basket-cum-fishing nets with long handle

III. : FIRE INSTRUMENTS

none
Alien to them, but red stripes of red linen are used as ornamentation in waist girdles
or armbands, shell necklaces armbands made of cane leaves

IV. : CLOTHS

Not found during the contact.

V. : ORNAMENTS

VI. : UTENSILS

Two young ladies were well-decked with green leaves.

VII. OTHER OBSERVATION

V. GENERAL OBSERVATION AND REMARKS :

Quite a few of them have smeared their faces with white mud.

Two chest-guards or armor-cum-belts were found perched on the branches on a tree. There were designs of red colour in organised manner. These are usually made of bark tree. Three or four layers of bark are fixed in a systematic manner.

Behaved well with the contact team.
