This is a signal no - 22, dt - 5/10/2011 received from the T.W.O; AATVF, Kadam Talla regarding the new convey system at ATR started w.e.f 28th September 2011. As desired by the Director (T.W.) : P/Blair.

He has informed the following details as follows:

(47)

- 1- w.e.f 28/9/11 to 4/10/11 average 90 vehicles crossed from J/Tang to middle strait and 85 vehicles from 19/strait to Jirga Tang daily;
2. on 4/10/11 and 5/10/2011 - 92 and 106 nos of vehicle respectively crossed from J/Tang to 19/strait in first convey.
3. Further he has stated that there is a heavy rushes at J/Tang, middle strait and the passengers are to waiting for long time at Jetty area for ferry.
4. At present - due to presence of Trucks in convey between Buses and Light vehicles it takes about 2-30 hrs to reach 19/strait.

(48)

In this regard he has requested/suggested to change the convey system as mentioned below:
 * - Passenger buses first and then Light vehicles and after goods vehicles respectively.

Submitted for kind information and further suggestion please.
