The Members,
Experts Committee on Jarawa

Dear Colleagues,

As, our proposal to the Directorate of Tribal Welfare, A&N Admn., for three days orientation programme for the AAJVS field-staffs has gladly been accepted and that would be during 13-15 Oct, 2013. Meanwhile, I received call from the Executive Secretary, AAJVS; enquiring upon the programme detail, venue, topic, speaker etc., which requires for their convenient. However, I could hardly prompt specifically. Being a member of the Expert Committee, I am also eager to learn about the programme module in detail. Since time is running fast and all of you are out-station experts; please do convey programme schedule to the Dir. T.W. and a copy of the same may be forwarded to me.

With regards.

(S.S. Barik)
