1. Welcome (Senior official from administration)
2. Self-Introduction by all the invited participants to the work -shop.
3. General intent of why the work-shop (V.Pandya)
4. Anthropological Survey's contribution and involvement (K. Mukhopadhyay)

TEA BREAK

5. Brief statement on "Issue from the field"- B.Das, A. Mondol
6. THEME ONE: Introduction to ASI projects and issues. (?)

Sunday Morning- (9.30-)

1. Continue with ASI project if required (?)

TEA BREAK (11.00-11-30)

2. THEME TWO: Issue of "Time and Space" (V. Pandya)
3. Fixing first parameters for the field. ✓

LUNCH-BREAK (1.30- 2.30)

4. Details of the steps and procedures.

TEA BREAK (4.00-4-30)

5. Issues and Discussions.

Monday Morning

1. Feed Back sessions (conducted by K. Mukhopadhyay and V. Pandya)

2. Official closure to the Workshop and a Note of Thanks.

TEA BREAK

3. If required a press statement to local media about the new tasks undertaken.

We may consider an "official Dinner" for the work-shop participants and if the administration has difficulty in the organization of it then I suggest that the expert committee members may host it and if required fund it partly or fully but it should convey to the team a sense of there importance and our gratitude.
