Sub : *Request for providing Protection to save the lives of villagers under*
Tushanabad Panchayat from Jarawa attack – regarding.

Sir,

    With highest sentiment of respect, I would like to bring the following few lines of facts on behalf of the local habitants under Tushnabad Gram Panchayat for consideration and early settlement please.

    That, the aboriginal tribes (Jarawa) presently livings inside the reserved forest area of Tirur are regularly entering the adjacent villages i.e. Tirur, Harbatabad, Colinpur, Templemyo and Manpur villages and demanding eatable items door to door in forceful/harmful ways causing a panic/terrible situation has been created amongst the local habitants.

    Here, it is seen that presently there is no Jarawa protection police Chowki (JPP) nearby the entry point of Jarawas as the existing one is near to Collinpur which is inadequate to control the present situation and in this regard it is in the view that the same JPP Chowki may be arranged to shifted to earlier place near the Jarawa entry point at No.4.

    That Sir, it has also observed that more staffs are to be provided under the strength of AAJVS with their accommodation facilities which will be the best efforts to protect the said villagers from Jarawas attack. Moreover, it is submitted that, there is no night patrolling activities neither being initiated nor being provided by the concerned department which is an essential factor to save the life of villagers from the unforeseen events.
