That Sir, in addition to above, it was decided during the recent visit made by the Deputy Commissioner, South Andaman District to Harbatabad area, a joint committee consist of AAJVS, Police, Revenue and PRI was to be constituted regarding the settlement of compensation to the affected families from Jarawa attacks which is an appreciable proposal but regret to say that the same has yet to be constituted.

In view of the above circumstances, it would be more appreciable, if the matter may be got settled to save the safety life of the villagers from unforeseen events in near future.

Thanking you,

Yours faithfully,

(ANAND AMRIT RAJ)
