Tirur dated 27 Jan 2014

Sir,

I am to inform you that the Jarawa situation in Tirur is being tackled very cautiously and very positive signs of Jarawa response and a large control in poaching activities observed and recorded in these days.

The Jarawas of Tirur in a very humble manner requested me to take them for one day to Tarmugli Island which is situated near to Jhaokona (Jarawa Reserve).

Sir, in order to win their love and trust on us we really need to accept their this request.

During their visit to Tarmugli island we shall accompany them and shall return back same day before sunset.

May kindly intimate the forest authority to get their consent please at earliest so that we may go in the present fair weather conditions.

Thanking you

Yours faithfully
