With reference to the memorandum no. 210 dt. 31/3/14 I do herewith submitting the bills again for further n.a. Pls.

- That Sir. Photocopy of the logbook is enclosed for the period.
- That Sir, all the bills are duly countersigned by the then officer in charge SHC. C/Boay to certify the correctness of the rates quoted, as the vehicle was arranged by himself for the proposed works.

- That Sir, vehicle was used from 2/12/13 to 5/12/13 and 12/12/13 to 24/12/13, and received the bill on 25/12/13 (Bill No. 94) and during the month of January 14 vehicle was engaged from 22/1/2014 to 27/1/2014 and received the bill on 3/2/14. (Bill No. 95).

The vehicle was much useful to visit the spot and the location where Shompens use to come out for their traditional and exchange affairs, Due to the vehicle we had successfully conducted the survey and collected empirical data even not having oriented staff for such a long time. Vehicle mainly used directly or indirectly for the Shompen Survey, whereas the survey works also connected with other office and shifting of tribal people to collect first hand data, we also contacted the Shompen of E/W. road, and complete data (up to March-April-2014) has already submitted to expert member for preparation of draft Policy as directed by honorable Chairman AAJVS on 28/5/2014.
