Sub: Means of Transport, for welfare activities and Shompen Survey works. Reg

Sir,
I would like to draw your kind attention to the ongoing Shompen Survey for preparation of separate Shompen Policy, as recommended by the expert members. The work was started during the month of Oct. 2013 with a oriented staff and a vehicle to assist the work and the undesigned, the staff was withdrawn from Shompen Survey works during the month of Nov. 11, 2013. and the vehicle was also restricted up to 31 march 2014. Survey works. Carried out with the help of existing AAJS staff of Shompen hut Complex, and submitted 210 pages report with rawdata beside the document of related matter, to the expert member. (during the month of May 2014). It was decided during the workshop conducted between 14-18 July 2014 at ANTRI office, Et. that Shompen Survey need to Continued to findout the relevant information of the social structure of the Shompen.

Keeping in view the climatic conditions of the Great Nicobar Island and non availability of vehicle the work can not Carried out further as per the desired manner except the routine works. Since April-2014 we have no transport means to be used for welfare activities among the Shompen.

It is therefore requested kindly to look in to the matter and approved the proposal to hire a vehicle on Perday Basis as suggested by the officer In Charge, SHC-C/ Bay the Asstt. Com. G/Nicobar vide his Signal No. 200 dt. 19/8/14, as per the approved rate of Asstt-Comm-office, for a period of six months or till finalise the Tender by the AAJS office. Pls. Submitted Pls.
