It was felt that the Jarawas have collected the farms products to feed their children. But they assured that they will not repeat the incident in future.

Considering the above facts and report enclosed, it is proposed that we may forward the same to the Deputy Commissioner, S/A (as desired by the Public Representatives) for necessary action with a copy to the parties concerned for information please.

Submitted for please.

The report of Executive Secretary & his interaction with Jarawa to assess the reason for Jarawa's entry to village is not exaggeration. The hunting catch is reducing coupled with increase number of Tribes, leads the tribes in search of alien food.

Small intervention is required by providing small quantity of coconut and banana once in a week or so. Persuading the tribes for Confining to
