To
The Executive Secretary,
AAJVS,

Sub.: Jarawa invading in to the Settlers village. Reg.

Sir, With reference to the Executive Secretary AAJVS, direction to enquire the matter relating to the incident/looting the households item from the Collinpur village by the Jarawas on 31/10/2012 during late night hours.

In the early morning I received a phone call, informing that Jarawas entered in to the Collinpur village and taken some items, self immediately ask our staff (night duty) and the Yc JPP. Noida to proceed to the spot immediately, They informed me at about 7 AM that only five house was effected from where Jarawas taken some items, (S/sb. Shanti Ranjan Sarkar, Subash Sarkar, Kalachand Halder, Ranjeet Biswas and Rajesh Sarkar). But when the Pradhan Gram Panchyat Tushmabad with a staff of Revenue Dept. visited Collinpur in order to assess the loss, all the villagers/house owner entered their name and items taken, by the Jarawa, to the Revenue staff. (There was 29 house hold.). We all interact with Jarawa near the Creek and request them to return the items. The Jarawas then returned five no. Daw, a airbag containing of office Paper (Islander Card, Birth Certificate etc.) to the Pradhan, and when asked by Pradhan. "What do you want, I will talk to the higher authority for that."
