

To,
The Executive Secretary,
AAJVS (Secretariat Complex),
Port Blair.

Sub: JARAWA's misactivities at the resiectial area during shifting from Jirkatang to
Tirur viz - Reg

Respected Sir,

With due respect I, Varghese Poulouse S/o Late.V.Poulouse a permanent resident and Farmer of Mile Tilak, under Ferargunj Tehsil, South Andaman beg to state the following few lines about the JARAWA's misactivities.

That sir, the JARAWS entering into our plantation and collecting the Banana goaths, Cocounuts and Areconuts etc.in huge quantity take them by their vehicle especially allotted for them entering directly into the farm also destroy the growing coconuts and fruit yielding plants. This type of misactivities by the Jarawas in a regular manner each and every month collecting some quantity of plantation products this matter was already complaint with the concern office bearers but they are not responding. Jarawas were destroyed and collecting plantation products most of the farms at Mile Tilak village. This type of misactivities occurring every month. So that the entire Farmers getting loss of Plants and manpowers. On dated 10.12.2012 , nearthan 70 nos of Jarawas entered in our village and some of them entered into my farm and collected the Plantation products as detailed below:

- | | |
|-----------------|--------------------------------|
| 1. Banana Goath | - more than 50 Nos |
| 2. Coconuts | - more than 500 Nos |
| 3. Areconut | - more than 2 Bags (3000 Nos) |

Contd... 2
