Sir,

I am very unhappy to lodge a complaint against the officials of your Samity, who have brought Jarawas by your departmental vehicle to Mile Tilak under Ferrargunj Gram Panchayat on 10.12.2012 at 09.30 a.m. and dropped there, whereas it was not the right place of dropping the Jarawas at that point. After getting down from your departmental vehicles, instead of entering into the Jungle (their destination place), they have made nuisance by entering into the houses and gardens of the villagers, whose names mentioned below and disturbed them. The Jarawas were destroyed the farms and gardens of these Mile Tilak villagers:-

- |                     |                           |

| 2. Smti. Pangyasi   | 7. Shri Prasanna          |
| 3. Shri Chandramani | 8. Smti. Sada Bai         |
| 4. Shri G Sivadasan | 9. Shri AD John           |
| 5. Smti. Tangamma   | 10. Smti. Saraswati Amma. |

The above incident was occurred due to the negligency of your staff.

On reporting me the facts by the Mile Tilak villagers, I personally visited the place of damaged area by the Jarawas and found that due to drop the Jarawas at Mile Tilak, the said incident was taken place. I noticed that the Jarawas were made a huge loss of the public property. The villagers were requested me to brought the facts to your department to recoup the loss of the public and it may be made such arrangements not to repeat such practices by your department to take place any unwanted losses.
