Sub:- Report on Jarawa issue-reg.

Sir,

I am to state that an incident took place at Mile Tilak, South Andaman, where it is reported that few Jarawas took away agriculture produces like coconut and banana from the farms belonging to villagers. During the course of inquiry it was felt that the Jarawas have taken these items due to reduction of food resources in their territory.

The Chief Secretary desired that your assistance may be sought to obtain a report on the factual position backed up with scientifically data.

You are therefore requested to kindly extend necessary assistance in this issue and provide a report as desired by the Chief Secretary.

Yours faithfully
